

HanTron

Model HT-3P

Digital Hand Held Water Tester

Key Features

- Large 5 Digit Display
- Stores 20 Readings
- Reads Conductivity and Temperature
- 1 $\mu\text{S}/\text{cm}$ Resolution
- 0-20,000 $\mu\text{S}/\text{cm}$ Scale
- Compact Size
- Fast, Accurate Readings
- PPM or MicroSiemens

Application

Advantage Controls new HanTron series of hand held testers provide accurate conductivity and temperature readings of any water system sample.

The rugged and compact design of the HanTron is water and shock resistant, will float and fits in your pocket. The state-of-the-art electronics utilize the latest in surface mount technology and four electrode conductivity sensing for fast accurate readings.

HanTron provides features normally seen on much more expensive testers including: memory for 20 readings, unit of measure selections and temperature readings all at a price comparable to older analog testers.

HanTron Model

The model **HT-3P** water conductivity tester measures conductivity from 0 to 20,000 $\mu\text{S}/\text{cm}$ at 1 unit resolution using four-cell conductivity electrode technology.

The custom LCD display has a large 5 digit reading with annunciators and prompts including low battery notification to make menu navigation simple.

Specifications

Power

- **Batteries:** Two replaceable AAA alkaline
- **Battery Life:** 10,000 readings

Environment

- **Operating Temp:** 32 to 132°F (0-55°C)
- **Storage Temp:** 32 to 132°F (0-55°C)
- **Protection Rating:** IP64 housing

Operational

- **Display:** 5 digit custom LCD
- **Scale:** 0-20,000 $\mu\text{S}/\text{cm}$ conductivity
- **Cell Capacity:** 0.1 oz. (3.2 ml)
- **Temp Comp:** 32-160°F (0-71°C)
with adjustable compensation
- **Memory:** 20 readings

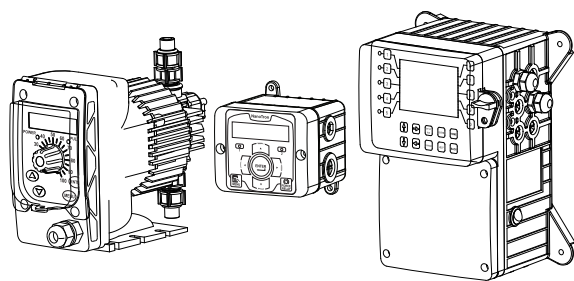

• Accuracy:	
Conductivity	$\pm 1\%$ 0 to 800 $\mu\text{S}/\text{cm}$
	$\pm 1.5\%$ 800 to 5,500 $\mu\text{S}/\text{cm}$
	$\pm 2\%$ 5,500 to 20,000 $\mu\text{S}/\text{cm}$
Temperature	$\pm 2^\circ\text{F} / 1^\circ\text{C}$

Dimensions

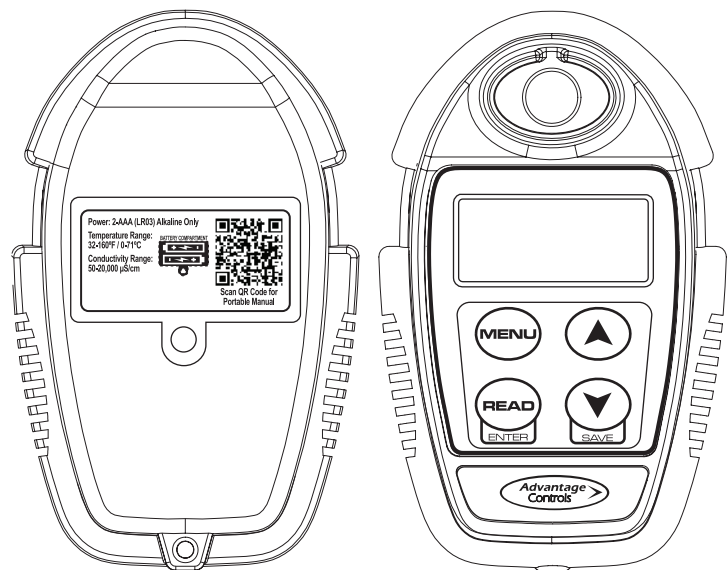

- 5.3 x 3.3 x 1.6 in (136 x 84 x 39 mm)

Shipping Weight

- **5.7 oz** Tester only
- **1 lb** Shipping weight

Advantage Controls offers a complete line of water treatment controls and feed equipment. We look forward to helping you *Get the Advantage* on all of your water treatment equipment needs.
